

LawDeb's Corporate Secretarial Services

We work with clients to find a delivery model that meets their governance model and budget.

We support clients from a multitude of sectors with:

Governance

- Board and Committee meeting management
- Committee structure and terms of reference
- Company annual reports and filings
- AGM management
- Board and Governance effectiveness reviews
- Transaction support

Entity Management

- Entity Management
- Global Entity Management
- Subsidiary governance
- Annual compliance and statutory filings
- Incorporations, share issuance and restructures
- Corporate health checks
- Registered office address
- Register of overseas entities verification and filing

We support clients from all sectors but have extensive, specialist experience in:

- Financial Services
- Highly Regulated businesses
- UK Listed Companies
- Special Purpose Vehicles

The LawDeb Corporate Secretarial Business provides the full suite of services you would expect from an in-house corporate secretarial function and more, delivered flexibly to suit their needs.

We can provide services on either a fully or part outsourced basis and can adapt to a variety of client requirements.
